Join San Mateo Cool Cities and your neighbors to celebrate summer bicycling in San Mateo. Hop on a bike and enjoy a guided ride through our community. We can share information about the city's bike plan and discuss our hopes for a more bike-able city. Don't have a bike? You can use the Bay Bikes bikeshare program to use a bike free of charge (Use promo code: COFFEE4 for \$10 Bay Bikes credit)! Make sure to RSVP and note whether you plan to use Bay Bikes, so that we can plan ahead on how many bikes to share! Please create a Bay Bikes account and use the special discount code above. Let's join together to reduce car dependence in our city!

**Organized by Cool Cities'
Bike San Mateo Committee**
